

UCSD Replication Game Code for Saccardo and Serra-Garcia (2023)

Date

Last edited: Jul 17 2023

Files

1. **main_replication.do**
2. **datacleaning_replication.do**
3. **analysis_replication.do**

Instruction

1. Put all three files in "**Code**" inside the [replication package](#) provided by the authors.
2. Change the **PATH** in **main_replication.do**.
3. Run **main_replication.do**.
